

# PLAY BOOK

We are constantly looking for responsible ways to support our partners and customers through this tough time. In the past weeks, we have offered new facilities of payment, free training for all and more.

We know that we all have had to adapt to a new way of living, at home, which comes with challenges for our physical and mental wellbeing. With this playbook, we hope to bring some distraction, enjoyment, relaxation and maybe a bit of fun in your home.

In line with our commitment to sustainability, you will be able to fill out crosswords and Sudokus digitally. However, word searches and coloring images will need to be printed.

We hope you enjoy!
