

Hello to all Financial Services Managers in Canada,

The Covid-19 pandemic is taking a dramatic toll on our beloved auto industry and we are all impacted in its effect. Many of you are being laid off, reduced to working from home or facing vehicle sales volumes that we've never seen before in our lifetimes.

It's a horrible state to be in and I want you to know that LGM feels the pain equally with you and we are mutually aligned to help you succeed. The auto industry will recover and consumers will need their next vehicle, that we know.

In the meantime, I encourage you to stay in touch with industry peers and support each other as best you can. Your local LGM Dealer Development Manager is here to help in any way they can and I personally wish you safety and health as we share this journey together.

Sincerely,

Adam Hill
